## Do you know about our SLA Support Fee?

It consists of the use of bucket hours or a fixed cost support. This monthly fee allows us to offer the following services:

### Bucket Hours

Are a monthly allocation of hours provided to supply support services in terms of the service agreement.

- Unused bucket hours will roll over for a period of three calendar months, 50% of the unused bucket hours remaining after the three months roll over will be applied to Change requests as agreed between both parties.
- Should bucket hours be depleted, work will be quoted for at a rate per hour.

### Fixed Costs

Westrocon provides fixed cost Support under the following terms:

- SAP Operational Support will be delivered across the full functionality of SAP solution implemented and will cover all key business processes.
- The support contract will be reviewed every 12 months and an increase due to inflation on support rates will be considered for subsequent contract periods.
- Increases will be discussed and communicated 'during the contract renewal period.
