

Westrocon is an SAP Platinum Partner and a proud member of the UNITED VARS. We are a global IT integrator and systems provider with an international presence. We have a wide portfolio of products and services covering consulting, infrastructure, implementation, development, maintenance, and support.

About Westrocon

At Westrocon, we are committed to delivering innovative, fit-for-purpose, and cost-effective Cloud ERP solutions. We are passionate about the transformative power of Cloud ERP systems and specialize in reducing time-to-value for our clients.

As a proud member of UNITED VARS, a global alliance of leading SAP solution providers for the midmarket, we bring a world of experience and expertise to each engagement. This network has been active since 2006 and is one of the largest SAP partnerships serving small to medium-sized enterprises worldwide.

Our experienced in-house team offers full-service capabilities including implementation, support, integration, and training. We leverage the latest SAP ERP systems and advanced cloud technologies to empower businesses. Our advanced solutions cover areas such as cloud services, analytics, document management, and mobility.

Credentials and Accreditations

As a leading SAP® consultancy, Westrocon keeps up-to-date with new technological developments, provides the best advice and guidance to its customers, while maintaining the highest level of integrity and professionalism. Our Westrocon reputation was tirelessly built with the following accreditations and credentials:

- SAP® Platinum VAR Partner
- SAP® PCOE Authorized Support Partner
- Member of UNITED VARS
- 2025 SAP Africa Partner Awards Winner: SAP Cloud ERP New Customer Acquisition

Partner-Led Territories

We are qualified to autonomously support the needs of customers in the dedicated market segment(s): High-Tech, Wholesale Distribution, Mining, and Milling Products.

Our Competitive Edge

Westrocon's partnership status, quality programs, and chosen methodology are all aimed at providing the best possible consulting service, quality standards, pricing, and support to client businesses.

Through SAP® Best Practices and Activate methodology, Westrocon has a comprehensive and flexible business management response to business needs with built-in support for best business practices, which provides a clear methodology and step-by-step approach to ensure a quick ROI, while minimizing installation effort, consulting intervention, and cost.

As a participant in the SAP® Accredited Quality Management program, Westrocon strives to deliver on-time and in-budget solutions that are robust and comply with Best Practices. As an SAP® Platinum Partner, we offer attractive discounts on SAP® licenses, minimizing total cost of ownership and accelerating return on investment.

As an SAP® PCOE Authorized Support Partner, Westrocon can provide maintenance support for SAP® Cloud ERP and SAP® Cloud ERP Private. Through the United VARS network, we offer global delivery capabilities in over 100 countries, ensuring access to best-in-class solutions and real-time business insights.
